Item 2.02. Results of Operation and Financial Condition.

On July 1, 2017, SQN Asset Income Fund, V, L.P (“Fund V”) paid a quarterly distribution to its limited partners at a rate of 6.5% per annum. This distribution rate reflects an increase of 0.5% per annum above the targeted distribution rate of 6.0% per annum stated in Fund V’s current prospectus dated April 6, 2017. Fund V’s general partner will continue to target quarterly distributions at the rate stated in the current prospectus, however, Fund V’s general partner reserves the right to increase the distribution rate to the extent that there is sufficient cash available to support such distribution.

Item 8.01. Other Events.

On June 26, 2017, Fund V entered into a financing agreement to provide \$1,184,849.60 to a company that provides cold storage warehousing facilities in the Seattle-Tacoma metropolitan region of North West Washington. The warehouses provide both short and long term storage for dry, chilled, and frozen goods and are strategically located by the Port of Seattle (one of the largest container ports on the Pacific coast) as well as nearby SeaTac International Airport. The funds were used to acquire warehouse racking that is fundamental to the operation of the company’s state of the art cold storage facility. The equipment has an expected useful life well in excess of the 36 month term, with more than 60% of the principal due to be paid back with interest within the first year. The loan is secured by a first position lien in the new racking as well as a guarantee from the principal of the borrower.

Also on June 26, 2017, Fund V entered into a loan agreement with a Subway Restaurant franchisee operating outside New York City. The transaction provided \$150,000 in financing for the remodeling of the restaurant to be repaid over a 48 month term. The loan is secured by an all asset lien with respect to the subject restaurant, personal guarantees from the principals as well as a corporate guarantee from an affiliated entity that also owns and operates another Subway Restaurant franchise.
