

**Location:** Florida  
**Industry:** Virtual Assistants  
**Company:** Opus Virtual Offices

**Acquisition Date:** February 2018  
**Investment Size:** \$245,000  
**Investment Term:** 24 Months

### Background:

Opus Virtual Offices provides virtual receptionist and physical address services for small businesses in almost all major cities throughout the US. Opus allows its clients to operate their business while maintaining a professional presence. The call answering service is offered at a competitive price while also offering physical mailing and office address options. The Company also offers conference rooms to customers in select cities.

Opus operates in all 50 states and has generated strong revenue growth going back to 2014.

### Collateral:

Proceeds from the facility were utilized to acquire business essential hardware and software that allows Opus to expand product offerings and continue to scale the business as they onboard new customers.

Additional collateral includes second lien on all assets of the company consisting of Information Technology, Furniture, Fixtures & Equipment, and Telecommunications equipment. The new equipment and software will allow Opus to handle a customer increase of 300%. In addition, the expanded product offering will create new areas of revenue as Opus can offer more features to their clients.

### **IMPORTANT RISK DISCLOSURES**

*An investment in SQN Asset Income Fund V, LP involves a high degree of risk and there can be no assurance that the investment objectives of this program will be attained. Some of the risks associated with this offering include the following: no prior operating history; “blind pool” offering; this is a “best efforts” offering and some or all of our shares may not be sold; our ability to diversify our portfolio will depend on our ability to raise funds in this offering; no public market currently exists for our shares; it may be difficult to sell your shares, and if you do, it will likely be at a substantial discount; fees to affiliates, illiquidity, leveraging, and performance may be affected by unanticipated declines in residual value or changes in the market; there are material federal income tax risks associated with the offering of the fund’s units; Investors will be required to bear the financial risks of this investment for an indefinite period of time. A substantial portion, and possibly all, of the cash distributions you receive from the*

*fund will be a return of capital and not a return on capital, and the amount and rate of cash distributions could vary and are not guaranteed; the amounts paid as cash distributions will reduce the amount of funds available for investment in equipment, as a result investors should not need to rely on the cash distributions as a regular source of cash.*

*Neither the Securities and Exchange Commission, nor any state securities regulator has approved or disapproved of these securities or determined if the prospectus is truthful or complete. The fund is not registered under the investment company act. Accordingly, the act’s provisions (which, among other matters, require investment companies to have a majority of disinterested directors) will not be applicable. Any representation to the contrary is a criminal offense. Images are for illustrative purposes only.*
