Company Overview

Company:

Arboretum Silverleaf Income Fund, L.P.

Formed in Delaware on January 14, 2016

New Hampshire Registered Investment Adviser:

Arboretum Investment Advisors, LLC

Formed in Delaware on March 3, 2016

Company Overview

Our Business:

The Arboretum Silverleaf Income Fund L.P. ("Fund") concluded its Operating Period at the end of Q3 2021 and entered the Liquidation Period in Q4 2021. During the Liquidation Period, no investments in new transactions will take place and proceeds received by the Fund, after expenses and debt service, will be periodically distributed to Limited Partners.

Our principal investment strategy is to invest in business-essential, revenue-producing (or cost-saving) equipment and other physical assets with high in-place value and long, relative to the investment term, economic life and project financings.

The life cycle of our fund is divided into three distinct stages: (i) the Offering Period, (ii) the Operating Period and (iii) the Liquidation Period. Our Offering Period commenced on August 11, 2016 and concluded on March 31, 2019.

During the Offering Period, the majority of our cash inflows were derived from financing activities and the direct result of capital contributions from Limited Partners.

Portfolio Overview

As of March 31, 2023, our portfolio consisted of:

Borrower: DeAngelo Contracting Services, LLC **Investment Amount:** \$196,000

Term: 24 months

Asset Collateral: First priority lien on construction vehicles & ancillary equipment

Deal Overview:

In February 2022, the Fund entered into a 24 month finance lease agreement with DeAngelo Contracting Services, LLC ("DCS") for three vehicles recovered from DBI Services. In February 2023, the Fund entered into a second finance lease agreement with DCS, for 12 months for a 4th vehicle. DCS is a growing company focused on providing quality and safe highway, railroad, commercial, and residential maintenance services. DCS owner originally founded DBI, prior to selling it to a PE firm. Post DBI closure, DCS has been actively buying up DBI assets and taking over contracts. The Fund agreed to provide seller financing by way of this short term lease to maximize the sales proceeds for these three vehicles.

Borrower: Etiwanda Logistics, inc.

Investment Amount: \$1,101,900

Term: 48 months

Asset Collateral: First priority lien on warehousing equipment

Deal Overview:

Etiwanda Logistics, Inc., ("Etiwanda"), founded in 2016 and headquartered in Fontana, CA, is a 3rd party logistics company that specializes in inventory management, delivery, warehousing, pick and packing, route planning, and value-added services. The company operates out of 155K + 45K sqft warehousing facility and is moving to a new 277K sqft nearby facility in San Bernardino, CA, east of Los Angeles. Etiwanda's operating performance was stable in FY2020, and is projecting a 72% growth in revenue, totaling \$10.7MM for FY2021. Proceeds from this transaction were used to acquire a new business-critical Pallet Racking System, teardrop style, including upright frames-roll form steel, load beams-roll form steel, wire mesh deck and related items for the new facility. The Equipment is expected to be more efficient as it will allow for the vertical expansion of its warehousing space as well as allow for the products to be more evenly and efficiently pulled and shipped. The Equipment is expected to have a useful life of 10+ years.

Borrower: Ascentium Capital portfolio **Investment Amount:** \$4,051,979
Term: 23-58 months **Asset Collateral:** First priority lien on underlying equipment of each lease
Deal Overview:

Ascentium Capital ("Ascentium"), founded in 2004 specializes in providing a broad range of business equipment financing, leasing, and loans across the United States. Currently with a portfolio of \$2.1 billion they regularly syndicate transactions as part of portfolio management and rebalancing. This portfolio was selected to alleviate internal concentration limits for asset type, geographic location and/or industry. Ascentium utilizes proprietary and nonproprietary scoring models based on key parameters to assess credit worthiness of every obligor submitted regardless of amount requested. From there the lessee's in the portfolio were selected by Arboretum based on the criteria of: Minimum term of 24 months, at least 12 months in business, minimum FICO of 600, minimum SBSS of 150, and no late payments since transaction commencement date. Transactions that did not meet this criteria were eliminated from consideration.

Borrower: HMI Cardinal (dba Cardinal Shower) **Investment Amount:** \$2,218,258
Term: 36 months **Asset Collateral:** First priority lien on glass manufacturing equipment
Deal Overview:

Hoskin & Muir, Inc., dba Cardinal Shower Enclosures ("Company" or "Cardinal Shower"), founded in 1948 and based in Louisville, KY, is a glass enclosure manufacturer whose products reach a national network of glaziers. The Company demonstrated strong growth and established a national presence, and in 2017, private equity firm Riverside purchased the Company for \$115MM. Cardinal Shower has three manufacturing facilities in KY, MA and NV, and 5 distribution centers in CA, TX, WA, and HI. The newest location in NV is their largest, most technologically advanced manufacturing and distribution center, and serves to consolidate three locations for significant cost savings. Proceeds from this transaction were used to finance business-critical glass manufacturing equipment for the new facility, projected to increase revenue through quicker product turnaround and reduce costs through automation. The useful life of the Equipment is projected at 10+ years, far exceeding that of the transaction, with a strong and active secondary market.

Borrower: Equipmentsshare.com, Inc. **Investment Amount:** \$3,906,913
Term: 36 months **Asset Collateral:** First priority lien on small construction tools
Deal Overview:

Equipment Share ("Company" or "Equipment Share"), founded in 2014 and based out of Columbia, MO, is an integrated equipment services company that offers a full suite of rental and purchase equipment options to clients alongside numerous value add technology solutions. Additionally, the rental platform enables third parties to rent idle equipment resulting in ancillary revenue share for Company with minimal associated marginal costs. End users primarily operate in the construction, civil, and infrastructure and sectors. Supporting operations are 58 full service sites across 25 states and 1,538 employees. The Fund financed a second schedule in conjunction with the Company's \$250MM equity raise. Proceeds from this facility were used to acquire various small construction tools and equipment that are rented to clients, which are business critical and directly support revenue generation. The financing term of 36 months matches the low end of the equipment's useful life range, estimated at 3-5 years. This transaction represents an opportunity to provide financing to a cutting edge, technologically integrated equipment rental firm producing significant organic growth.

Borrower: LeoTerra Development Inc.

Investment Amount: \$954,498

Term: 60 months

Asset Collateral: First priority lien on two (2) Bell B45E Articulated Trucks

Deal Overview:

LeoTerra Development ("Company" or "LeoTerra"), founded in 2017 and based out of Kernersville, NC, provides land development services for raw land plots in addition to the acquisition and management of the lots. The Company's capabilities attracted the attention of a publically traded construction firm ("Partner") with a market capitalization measuring in the billions. The firms maintain a uniquely beneficial relationship in which LeoTerra will purchase land, with part of the capital provided by the Partner, and sell the finished land lots (now ready for construction) back to the Partner. The two financed trucks will be utilized to service active projects that are part of a long list of awarded contracts that should support the Company's revenue for years to come.

Borrower: Sunvair Aerospace Group, Inc.

Investment Amount: \$160,156

Term: 60 months

Asset Collateral: First priority lien on MetFin surface treatment machine

Deal Overview:

Founded in 1957, Sunvair, Inc. ("Sunvair") and sister company Aviation Avionics & Instruments Inc. ("AAIL") are certified FAA repair stations performing aircraft repair and overhaul services. The companies were acquired by Blue Sea Capital in 2014 and 2015, respectively, and rolled under the Sunvair Aerospace Group Inc. parent umbrella. Both companies perform maintenance, repair and overhaul services for commercial, regional and military aircraft components, including avionics, instruments, pressure sensors, landing gear, mechanical components, and other accessories and components. Sunvair's repair and overhaul facilities are located in Valencia, CA and AAIL's in Freeport, NY. Investment is in a business-essential Shot Peening Machine (MetFin Series II, Model 600 Table Blast System), which allows Sunvair to bring resurfacing work in-house rather than outsourcing, as well as expand their business by providing another high-demand service. The machine's useful life is well in excess of the 60 month lease term, it can be used across multiple industries and has an active secondary market.

Borrower: NavaDerm Partners, LLC

Investment Amount: \$827,956

Term: 36 months

Asset Collateral: First priority lien on medical equipment

Deal Overview:

Founded in 2018 and headquartered in New York City, NY, NavaDerm Partners, LLC ("NavaDerm" or the "Company") is a management services dermatology platform providing contractual, non-clinical services to five physician practices consisting of 41 physicians across seven clinics in New York and New Jersey, each with an established customer base and average 20+ year operating history. NavaDerm performs all back-office operations, allowing the physicians to focus on treating patients with medical, surgical and cosmetic procedures. Investment in business essential medical equipment includes a hair removal laser system, a vascular pigmentation removal laser system, body sculpting machine (cellulite treatment), and a fractional micro-needling machine, all of which will be located and used to complete procedures at a new NYC medical office. Useful life of the Equipment is expected to exceed the three year term of the facility.

Borrower: MCPc, Inc.

Investment Amount: \$1,137,339

Term: 48 months

Asset Collateral: First priority lien on office furniture, fixtures & equipment

Deal Overview:

Founded in 2002 and headquartered in Cleveland, OH, MCPc, Inc. ("MCPC") distinguishes itself from competitors through its many service offerings, which includes the discussed cybersecurity division. Investment in business essential office infrastructure for a new headquarters intended to support the needs of a core business unit, a cybersecurity product offering for various devices, and to allow for growth of business. This service is linked with a 24x7x365 managed service unit which collectively "watch over" a client's infrastructure. Much of a client's hardware is also supplied through another division line as the Company, MCPC is a value-add reseller of computer and information technology equipment and supporting services. Furthermore, the various service offerings provide the highest operating margins. Clients include notable hospitals and name brands with offices located near MCPc.

Borrower: Brass Centerview 2012 Partners, LLC

Investment Amount: \$865,084

Term: 60 months

Asset Collateral: First priority lien on LED lighting and second lien on all other assets

Deal Overview:

Brass Centerview 2012 Partners LLC, founded in 2012, serves as an owner-operator to the facility and most of the Company's revenue is derived from rent collected from the facilities' tenants. Investment in cost saving LED lighting for the Brass Professional Center ("Pro Center"), a 16 building "campus like" office park that provides 760K square feet of primarily Class B leasable space located in San Antonio, Texas. The facility possesses estimated fair market value of \$86MM ("as is" valuation) and \$90MM ("stabilized" valuation). The resulting loan-to-value ("LTV") is approximately 65%-62% when factoring in the \$58MM of long-term debt. Overall, the properties have an estimated \$28MM-\$31MM of equity. The monthly energy savings from the LED lighting is projected to exceed the financing payment. The equipment provider specializes in LED lighting and will cover any difference if the savings do not exceed the financing payment.

Borrower: Vivace Universal Corporation

Investment Amount: \$3,975,000

Term: 60 months

Asset Collateral: First priority lien on Friction Stir Universal Welding System and production line equipment

Deal Overview:

Investment in a business essential welding machine to Vivace Universal. Founded in 2006, Vivace is a subcontractor providing manufacturing and tooling services for flight hardware and related equipment along with testing and engineering services relating to commercial space programs. Equipment is used to service contracts for a long-term Dynetics program and other large companies. The financing of \$3MM against an original equipment cost of \$3.995MM, results in a Loan to Value of ~75%. Specifically, the financed equipment is a Friction Stir Welding System and is utilized to combine metals which require a high welding strength, as in the case of rocketry. The useful life of the asset is estimated at over seven years and is located at the NASA Michoud Assembly Facility. More recently the Fund has provided \$975,000 additional financing for a flexible and robust manufacturing production line.

Other Assets

Borrower: Shale Energy Support, LLC

Investment Amount: \$940,000

Term: 60 months

Asset Collateral: Nordco Rail Car Movers

Deal Overview:

Founded in 2015, Shale Energy Support LLC operates a wet mine and associated drying facilities in Mississippi as well as a railyard. Investment in two business essential Nordco rail car movers. In March 2022, representatives for Shale Support Holdings advised the Fund that the turnaround the company undertook following its 2019 Chapter 11 restructure did not succeed. The company, at its senior lender's direction has sold off all its assets and was ceasing operations. The Fund's collateral consists of two Shuttlewagons. A third party company that purchased the rail yard from Shale Support took over lease payments in return for use of the equipment. Arboretum engaged in a two month negotiation with this party to either buy the equipment or to enter into a new lease. An agreement could not be reached and Arboretum picked up the equipment in July 2022. The equipment has been refurbished and is in the process of being remarketed. Based on discussions with several remarketing firms, no impairment has been taken against the assets.

Borrower: St. Clair Inn

Investment Amount: \$1,144,933

Term: 42 months

Asset Collateral: First priority lien on hotel furnishings & vehicles

Investment in business essential hotel furnishing and transportation vehicles. The hotel has been severely impacted by Covid related closures and labor shortages. The hotel is operating, however only a third of the planned renovation are completed. The original owner turned over the hotel to the senior lender and a receiver has been appointed. The senior lender plans to complete the renovations and market the hotel as a going concern. The lessee has returned to the Fund the portion of collateral consisting of titled vehicles which are currently being remarketed. The remaining collateral is either in use at the hotel or at a nearby warehouse pending completion of renovations. The Fund has liquidated most of equipment that was returned. The receiver has continued to make monthly lease payments. Further, the Fund is pursuing two personal guarantors who were the owners of the lessee. No impairment has been taken at this time.

Borrower: DBI Services, LLC

Investment Amount: \$3,000,000

Term: 60 months

Asset Collateral: First priority lien on construction vehicles & ancillary equipment

Deal Overview:

Founded in 1978, DBI Parent, LLC ("DBI" or "Company"), through its subsidiaries, provides maintenance and operational services for infrastructure related projects in the U.S. and Canada. The company abruptly shut down in October 2021 citing impact from Covid and other factors. The Fund is in the process of repossessing and remarketing the equipment collateral, which primarily consists of vehicles, yellow iron, and related equipment that has an active secondary market. No impairment has been taken against this investment at this time.

Borrower: Golden Harvest Alaska Seafood **Investment Amount:** \$1,230,754

Term: 56 months **Asset Collateral:** First priority lien on Marel fish processing machine

Deal Overview:

Investment in a business essential Marel fish processing machine ("Equipment") intended to reduce labor needs and increase automation, and forecasted to produce higher margins and increase capacity output. The lessee encountered financial difficulties after it was forced to close due to the COVID-19 pandemic. The lessee was located on a remote island in Alaska that had to be evacuated due to the absence of critical medical equipment. In October 2020, the Fund repossessed the Equipment and commenced remarketing efforts shortly thereafter. The Fund is in negotiations for a potential sale of the equipment with a new operator who is looking to take over the operations of the plant in Alaska. The Fund is also pursuing several other avenues to maximize recovery, however, in line with the audited financials, the Fund has taken \$1,080,836 in impairments over the past few years on these assets.

Borrower: GenCanna Global USA, Inc. **Investment Amount:** \$3,600,000

Term: 48 months **Asset Collateral:** Three Louisville Steam Tube Dryers and one Chiller

Deal Overview:

Investment in business essential industrial drying equipment ("Equipment") used in hemp processing. The Fund advanced approximately 70% of the Equipment cost, with the balance paid by GenCanna. The Equipment was to be located in a new expansion facility that was never completed. The lessee filed for Chapter 11 protection in February 2020. The Fund has repossessed the Equipment and commenced remarketing efforts. The Equipment also has application in other industries. Due to the size of the Equipment and current environment, the remarketing process commenced in earnest in Q4 2020. There is interest from several parties in the equipment that the Fund is evaluating, and the Fund is targeting a significant recovery of its investment. We are pursuing multiple avenues to maximize recovery, however, in line with the audited financials, the Fund has taken \$1,376,685 in impairments over the past few years on these assets.

Borrower: Anova Technologies, LLC and FE Telecoms, LLC **Investment Amount:** \$3,720,970

Term: 42 months **Asset Collateral:** First priority lien on all assets

Deal Overview:

Investment proceeds were utilized to refinance Anova's current long-term debt, of which the majority was issued by PNC to acquire an Asian wireless network. The financing is secured by all of the Company's assets including the business critical network equipment and infrastructure. The Company has been severely impacted by COVID-19, with many of its customers closing down, as well as some of the company's vendors threatening to cut off services due to non-payment which would effectively force Anova to close down. Following lengthy negotiations, Anova and the Fund agreed to a bulk settlement that provides for a large upfront cash payment to the Fund in the amount of \$2,000,000 on March 31, 2021, and a remaining amount of \$645,000 to be paid over time. Assuming all future payments are collected, this will result in a book value loss of \$366,991.
